A black and white photograph of a forest floor. In the foreground, a large, textured tree trunk is visible on the left. A path leads from the bottom center towards the background, flanked by dense foliage and trees. Sunlight filters through the canopy, creating dappled light on the ground. The text 'Parc Her. Nou, zona Ticusufui-2 buc. Plopi uscati' is overlaid in the upper right, and '100%-poz. 437' is overlaid in the lower right.

Parc Her. Nou, zona Ficusului- Tei cu scorbura pe lungimea tulpinii-poz.425

A black and white photograph of a large, gnarled tree trunk, likely a fig tree (Ficus), in a park setting. The tree trunk is thick and textured, with many small holes and cracks. It is surrounded by dense foliage and other trees in the background. The lighting is dramatic, with strong shadows and highlights. The text is overlaid on the right side of the image.
